11th August, 2022

TO WHOM IT MAY CONCERN

This is to certify that Mr. Samiran Vanmali has worked online under my guidance from 1st June to 1st August, 2022. He has worked on “*Study and analysis of Li-ion battery and modelling the temperature effects as per Indian climatic conditions*”. During the aforementioned period, I have found him inquisitive and hard working. I wish him a successful career ahead.

Yours Sincerely,

Dr. Prasun Mishra

Assistant Professor Grade-II
